Lake County in proposed Mass Transit System

See story and another photo on page 9.

State Representative Donald E. Deuster (R. Sylvan Lake) predicted today in Springfield that Lake County and other Northern Illinois suburban counties will "benefit most" from the creation of a new, modern mass transit system for the Chicago Metropolitan Area.

At a joint press conference with Dr. Richard M. Michaels, Research Director of the Northwestern University Transportation Center, Deuster listed 20 specific public transit developments foreseen in Lake County alone.

Deuster said: "For too long we have simply subsidized the Chicago CTA, and ignored the suburbs. Now, at last, our

Illinois Legislature is on the verge of spreading the benefits of public transportation to our suburban counties where the greatest opportunity for improvement exists. In Lake County alone we could establish three new commuter rail shuttle routes, 5 shuttle bus routes, and complement these routes with the highway network and with each other through the construction of 12 depot-park-and-ride facilities."

Deuster outlined these needed improvements in Lake County: (1) Commuter rail shuttle service along the Soo Line railroad trackage linking Antioch, Lake Villa, Grayslake, Mundelein, and the Wheeling-Buffalo Grove area;

(2) Commuter rail shuttle service along the Elgin, Joliet and Eastern trackage linking Waukegan, North Chicago, Rondout, Mundelein, Lake Zurich and Barrington; (3) Commuter rail shuttle service on the Milwaukee Road trackage from Rondout to Wilson to serve the Lakehurst Shopping Center and Gurnee; (4) Shuttle bus service linking existing and new rail commuter services with the highway system along the following routes: (a) Highland Park to Deerfield along Deerfield Road; (b) Zion, Waukegan, Lakehurst Shopping Center, Grayslake, Lake County College, along

Free Church Broken Into

The Antioch Evangelical Free Church, located on Tiffany Road and Highview Drive, was broken into by burglars sometime during the late night hours of June 25th or the early hours of June 26th.

After ransacking the offices of Pastor Bernard Fosmark, and the church office the burglar or burglars left with a tape recorder valued at \$110, batteries and tapes.

The County Sheriff's Department is investigating. It is suspected that entry was made through the front doors as they had been pried open. The door frame around the church office was broken and burned.

Pastor Fosmark said, "It is a wonder they didn't burn the place down. They evidently used matches to see their way around and dropped them all over the floor, leaving burn holes everywhere."

This is not the first time the Church has been burglarized. About a year ago the church was broken into and two speakers were stolen valued at about \$150 to \$200. It has been a hard year for the church as they have had their large front windows broken on two separate occasions and several of their evergreens were run over by snowmobilers.

Zelinski Becomes Sergeant

July 1st will be a big day in the life of Officer Tim Zelinski as he will be promoted from Officer to Sergeant of the Antioch Police Department.

Officer Zelinski has been a member of the Antioch Police Force since May of 1970. He completed the Law Enforcement Officer Training School sponsored by Lake County Chief of Police Association in April of 1971. The year before,

he had completed a 40 hour Narcotics course that was sponsored by the University of Illinois at Wilmet. Since then Zelinski has assisted in many narcotic arrests.

Zelinski and his wife Marcia, moved to Antioch in 1968. He now resides at 842 Hillandale Road and has one daughter, Tracy, who is 7 years old and presently worrying about tackling the hardships of second

grade.

Both Tim and his wife, Marcia, are from Chicago. He attended Roosevelt Grade School and Morton High School, both of which are in Cicero, Illinois. From 1960 to 1964, Zelinski was in the Marine Corps. A Corporal in the Marines, Zelinski was stationed in California and he was fortunate enough to travel

LAKE COUNTY COMPREHENSIVE PLANS REVEALED

The Lake County Regional Planning Commission held a special meeting on Thursday night, June 21st, to acquaint local Village and Township officials with the Comprehensive Plans for the County.

The County Comprehensive Plans have been in the making for several years and are now about to reach completion. The meeting was held at the Renwood Country Club, which

is located near Grayslake, and the various aspects of the plans were reviewed by the County planners.

According to Red Murrie, who is the Antioch Township Supervisor, a similar presentation will be made for the general public sometime in the near future.

The County's Comprehensive Plans have not yet been approved or accepted.

Century Town.

Deuster noted the need for depot-park-and-ride facilities to connect all of these new rail, bus and highway routes together at the following 12 locations: Rondout, Gurnee, Antioch, Lake Villa, Grayslake, Mundelein, Wilson, Wheeling, Barrington, Lake Zurich, Waukegan and North Chicago.

ZELINSKI BECOMES SERGEANT

half way around the world on a floating battalion for six months. He also gained valuable experience for his present job, as he served for a year on the Military Police Force in the Marine Corps.

Both the Chief of Police, Jack Wells, and Antioch Police Commission had a hand in selecting Zelinski for the appointment. He was judged on the following seven points: Law Enforcement activities, reliability, appearance, longevity, potential leadership, qualities in service training schools, and an interview with the Chief of Police and the Commission.

Officer Zelinski will be officially appointed to Sergeant on July 1st and will then be on a standard 6 months probation period. After completing probation, he will be promoted permanently to Sergeant. He will be replacing the former Sgt. Pett, who retired several months ago.

The greatest difference be-

tween the position of Officer and Sergeant is the increased amount of responsibility. He will now be working all shifts in a supervisor capacity at the direction of the Chief of Police.

"Working with people, proper and just law enforcement, (and in the same breath) being able to render assistance and help to all those in need," is what Officer Zelinski likes best about his job. He has helped in other ways too as he has been a member of the Underwater Recovery Team of the Antioch Fire Department. He received special training on his own from Art Dahl in Lake Villa in 1969, before the team was even founded.

In his spare time he likes to camp and swim. He also likes to fish, but he hasn't had great luck since he has had some lure trouble. Zelinski has a good sense of humor and is more than likely to be an even greater asset to the Antioch Police Department while serving in his new capacity.

ITS BACK TO SCHOOL AT THE HIGH SCHOOL

Last Wednesday, June 27th, some 486 students went back to school at the Antioch Community High School. The summer school session, will last until August 3rd, with two sessions each morning.

57 of these students are enrolled in the Title 1 program that is financed by the Federal Government. This program is primarily designed for 8th graders, who are two grade levels or more behind in reading or language skills.

Reading and Language skills are not the only topic of interest in the classes, and they are not a constant drill in the rudiments of English. Rather, the students receive a wide range of subjects including home economics, cooking, physical education, discussion of current events, and an occasional field trip. There are 10 teachers who are involved in the program, which lasts 4 hours a day.

Driver's Education is one of the most popular courses that is being offered at the high school this summer, as 191 students are busily enrolled in the course.

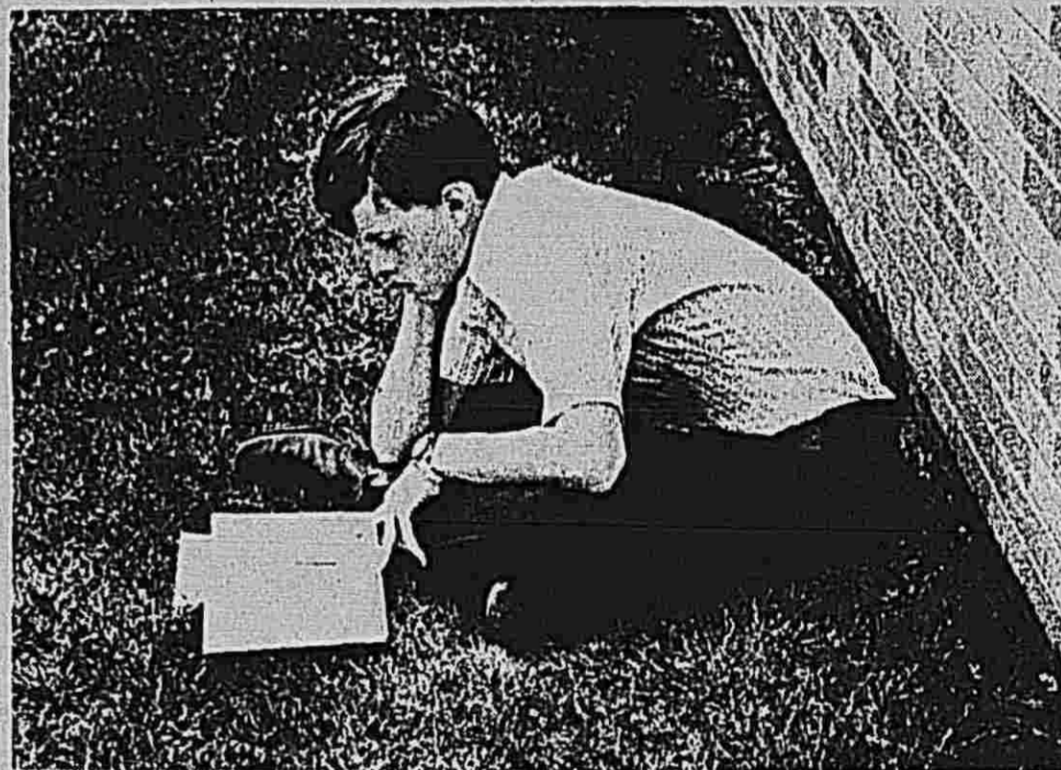

There are 22 other courses that are being offered at the high school other than the Title 1 program and Driver's Education. 238 students are

enrolled in these courses.

Mr. Kurek, who is the Guidance Director at the school, projects that this number is about 30 to 40 students greater than last year. He feels that one reason for this is that Health is now a requirement for graduation. Many students failed this

course last year and are afraid they will not get it in on-time to graduate. Mr. Kurek said that there are about 27 students of this type who are enrolled in the Health class.

There are 6 teachers who are teaching Driver's Education and 6 teachers who are teaching the remaining 22 courses.

There's nothing more wonderful than studying during the summer. OR IS THERE? If in doubt ask Bob Blecke, who is pictured above enjoying himself. (Staff Photo)

REGISTER NOW FOR BOYS FOOTBALL

Registration for Antioch Vikings boys football will be held on June 30 and July 14 from 8 a.m. to 12 Noon at the Antioch Scout House on Main St. Boys must weight 80 lbs. or over, still attend grade school and not be 15 before Sept. 1. There is a \$5.00 registration fee. Practice begins August 13. Time 5:45 p.m. Highschool Football Field.

This is the third year Antioch will be entered in the Northern Illinois Junior Tackle Football League. The league is comprised of 14 teams in Northeastern Illinois. It is divided into two divisions, with a championship play off for the league title after divisional play. Each team has 2 squads, Lightweights weighing up to 110 lbs. and Heavyweights 110 and over.

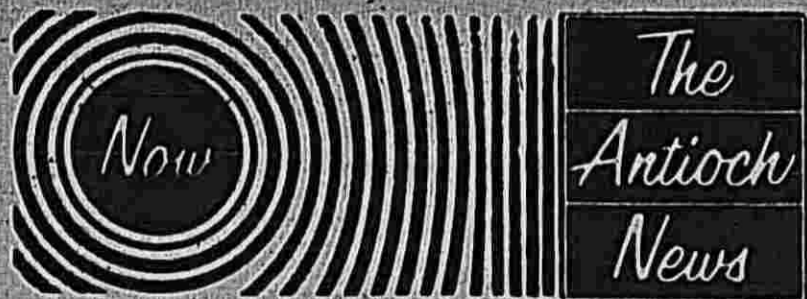

Antioch Lightweights won the Third Place trophy in their division last year. The Heavyweight team also gave a very good showing.

INDEPENDENCE DAY

For many Americans, there is no more stirring sight than that of the Statue of Liberty silhouetted against the sky -- a tall, proud embodiment of freedom's spirit. As another Independence Day, July 4, approaches, she stands as a silent reminder of the freedoms so many have fought and died for.

Celebrations commemorating the signing of the Declaration of Independence on July 4, 1776 will take several forms -- under the vigilant eye of that symbol of freedom -- parades, picnics, colorful fireworks and flags festooning millions of offices and homes. However, the most important part will be hidden from her view. That is the quiet determination which every American should carry in his heart to perpetuate the ideals of liberty, justice and freedom which were built so painstakingly years ago. Those ideals are the best secret weapon against tyranny and, indeed, are the very basis for the might of the United States. They must always be guarded carefully as the precious possession they are.

HAPPY 2ND BIRTHDAY TO US

With the issuance of this week's paper the ANTIOCH NEWS will have rounded it's second year under the ownership of Barbara and Joe Rush. Within the past two years, many changes and improvements have been made, not to mention the fact that the circulation has more than tripled.

At this point in time, the Antioch News would like to take the opportunity to thank the people in Antioch for all that they have contributed towards our success. We would like to thank the local merchants for their support, as well as all of the organizations for so faithfully and diligently helping us to present the news. It is because of these efforts that the ANTIOCH NEWS has become truly a HOMETOWN PAPER. Thanks again,

MCCLORY REVEALS QUESTIONNAIRE RESULTS

The final tabulation of response to this year's constituent questionnaire has been completed -- and a summary of these results will be mailed to every 13th District household within the next week.

Out of more than 154,000 computer card questionnaires which were circulated throughout the Kane, Lake and McHenry County areas of the 13th District, a total of about 41,000 responses were received. The final tabulation of these responses would have posed an impossible task if undertaken manually. However, with the assistance of a computer expert, the questionnaire data were stored and translated into a computer program with the result that a detailed tabulation was accomplished by modern computer technology -- in less than three minutes.

In addition to the constituent survey, questionnaires were circulated among students of nine high schools in our Congressional District. A general observation with regard to this innovation is that students, in general, held views similar to the more adult constituents.

1. On the question, "Should the President have the authority to establish a ceiling on Federal spending?" approximately three-fourths of all of those residing in the three Counties comprising the 13th Congressional District expressed support for this authority. While high school students averaged about the same percentage in their responses, the idea of a ceiling on Federal spending appears to be the dominant position, and it could not be said that a ceiling would not have citizen support if the ceiling were imposed by the Congress. The issue is a very live one with measures now pending which authorize a Congressional spending ceiling, as well as new and expanded budgetary control by the Congress.

2. On the highly-charged issue of amnesty for individuals who evaded military service in violation of the draft

law, there is overwhelming opposition to any such blanket exoneration to such so-called draft dodgers. A mere 16 percent of adult citizens were in favor of amnesty. However their younger counterparts in the District's high schools expressed greater compassion for such draft evaders, with amnesty being favored by almost 50 percent of the students who responded on this issue.

3. A similar response resulted from the question concerning economic aid to North Vietnam -- with a mere 15 percent of the adults willing to support such action. Again, students were not as hardline, with about twice this percentage favoring economic aid to North Vietnam.

4. Strong opinions were expressed in behalf of a mandatory death penalty for certain Federal crimes such as skyjacking, kidnapping and murder of Federal officials -- with 80 percent voting for capital punishment in such cases. The student samplings were somewhat less favorable to the death penalty, with an average of less than 60 percent supporting a mandatory death penalty, even on the few selected Federal crimes referred to in the questionnaire.

5. On the issue of busing of students to effect racial balance, about three-fourths of the adults and a slightly lower percentage of the students support a Constitutional amendment which would bar such busing practices.

6. Responses were almost equally divided on the issue of diverting highway trust funds to improve urban transportation systems, with 48 percent

Letters to the Editor on any current issues are welcome. Only letters with names can be considered for this column. Signatures will be withheld on request. Letters cannot be returned and are subject to minor editing.

of the adult citizens favoring such use of highway trust funds. A substantially higher percentage of students appeared to feel the need of such public transportation support in lieu of continued exclusive use of highway funds for more and larger highway systems. With Elgin Larkin High School students favoring highway fund support of public transportation by 78 percent, and 73 percent of Waukegan High students taking the same position, it would appear that students are concerned about public transport for their education and convenience. It follows that a majority of adults in the 13th District have come to rely primarily on their private automobiles for substantially all of their transportation needs.

Comments on the remaining questions of the 12-question survey will be included in a later report from Washington.

CHIP EBERMAN'S JOB IS NO FISH STORY

It has been said that we do what we have to during our working hours and what we want to during our free time. However, a lucky few are able to turn their favorite pastime into a useful occupation. Chip Eberman, of Woodbine Avenue, Channel Lake, has always been an avid fisherman. Unlike many other "weekend fishermen," though, he has been able to combine this interest with a charter fishing business on Lake Michigan.

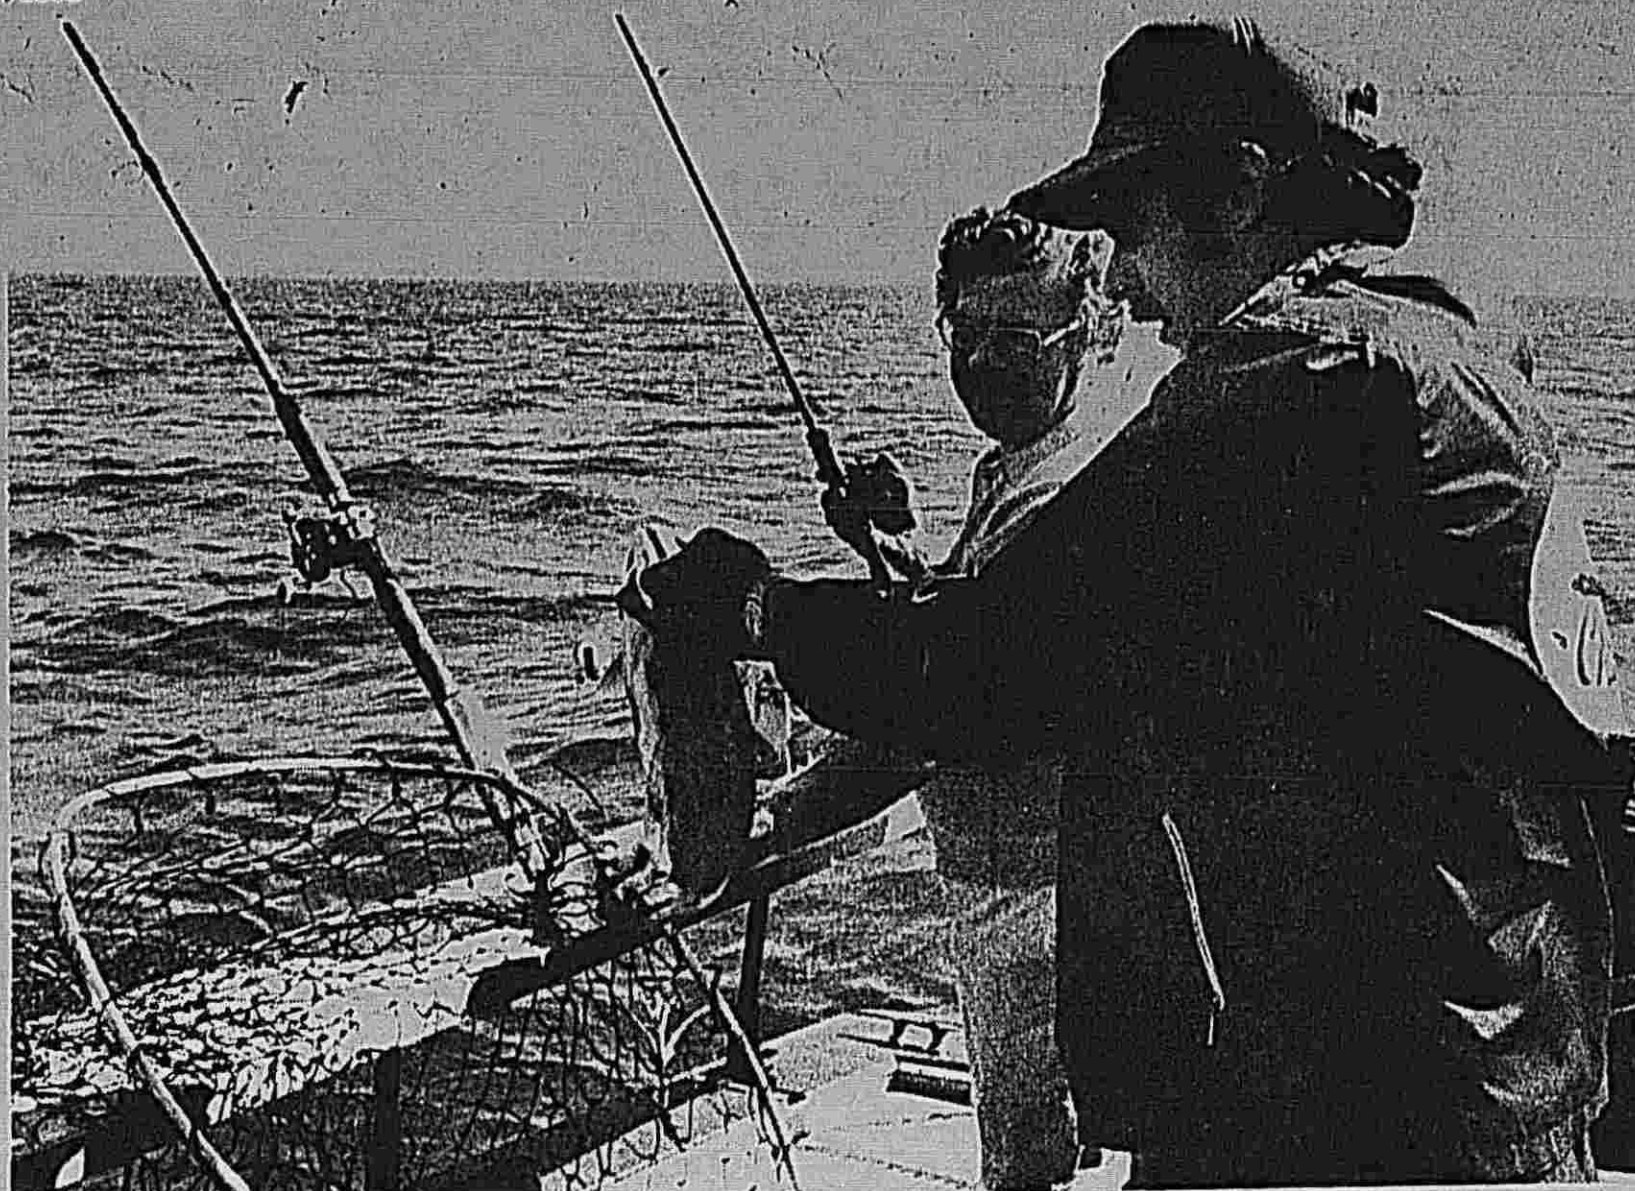

From mid-April till late July, his boat, a 35 foot cabin cruiser named *Sunburst*, waits in Waukegan harbor for groups of fishermen. Based on the size of his boat, Chip can take up to six passengers for hire, though the average charter group numbers four. While working out of Waukegan, the objective is mainly coho salmon. In August, Chip moves north -- as do many of the charter boat operators -- to work out of Algoma, Wisconsin. In these northern waters, the primary goal is lake trout, though salmon are also taken in.

Chip's background is well-suited to the charter fishing business. In fact, he is more

than qualified, holding an officer's license in the U.S. Merchant Marine. After four years at the Merchant Marine Academy in Kings Point, N.Y., one of the five federal service academies, he was obligated to spend three years at sea. He worked out of New Orleans and covered most areas of the world, with the exception of Australia. After that, he was marine superintendent for a steamship company in Chicago and has also worked for a printer.

There was a time -- in the late 1940's and 1950's -- when Lake Michigan was considered practically "dead" as far as commercial fishing was concerned. Commercial fishers and the lamprey eel had almost completely exhausted the population of lake trout. In the mid-60's the State of Michigan began a program of "planting" salmon in the lake, a move which was soon followed by the other states bordering the lake. It was previously believed that a lake this large could not be stocked, but that theory has been proven wrong.

About the time that the

Ken Smouse looks proudly at the coho salmon, held by Chip Eberman, which he reeled in recently while fishing aboard Eberman's charter fishing boat. Below, Chip is shown at the controls of the *Sunburst*. (Staff Photo)

salmon planting was proving successful, Chip Eberman was becoming interested in the idea of getting into the charter fishing business. He bought a boat in the Fall of 1971 and took charters on weekends beginning in the Spring of 1972. Three boats and a season later, he is available for charters almost anytime. It costs a group of fishermen \$80 to charter the boat for four hours, \$100 for five hours, or \$160 for a full day. This includes tackle and bait, plus Chip's know-

ledge and service as a guide.

Chip is a Channel Lake native, having attended Channel Lake School and Antioch High. He and his wife, Nanci, have a daughter, Christine, age 4½.

When not out on the lake, Chip works as a floor installer. During his non-working hours, he enjoys most sports, and is particularly happy when duck hunting is in season. But he has the added fortune of working at a job which he finds most enjoyable.

When a lucky fisherman pulls in a catch aboard the *Sunburst*, Chip Eberman gives a hand in netting the fish. (Staff Photo)

BURGLAR HAS A SWEET TOOTH

On Monday, June 18, 1973 the Antioch Theatre on Lake Street was burglarized. According to Theatre Manager Tom Ryan, the incident occurred sometime between 12:00 noon and 5:00 p.m. on that date.

The burglar gained entry forcibly through a window on the balcony level in the south alley.

Visiting the projection room, the thief disturbed the tools, but apparently did not take

anything. However, it appears that the thief had a sweet tooth, as he stole approximately \$20.00 worth of candy from the candy case on the lower level. The burglar also appears to be a movie-goer as he helped himself to both adult and children's tickets.

The theatre's office was the next stop on the thief's list; the pop machine keys were taken from the office and \$29.80 was taken from the machines.

LARRY CIECHOLINSKI — A LIBERATED MAN

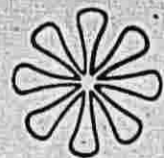

Much has been said about the liberated woman, who has wandered out of the kitchen and into the business world. The other side of the picture is clearly illustrated by Larry Ciecholinski, a liberated man, who has wandered out of the business world and into the kitchen.

His kitchen can be found at Berned's Resort, which is located one mile west of the intersection of Rte. 59 and Beach Grove Road. Larry, who is the owner and manager of the resort, is also the chief cook, as he travels around in his P.F. Flyers. Actually his heart has always been in the kitchen, and he has cooked on a part time basis for such well known establishments as the Country Squire, the Buggy Whip, the Pepper, and the House of Steel. He is said to be an excellent cook, and his specialties range from fine seafood dinners, such as Shrimp de Jonghe, to Prime Rib and ham hocks, which seem to be much in demand.

Larry and his wife, Joyce, opened Berned's on Mother's Day. Previously, it was known as Dressel's. Its spacious bar and dining room overlook Lake Marie and it is really quite a sight. There is parking space available for boats at the resort as well as sleeping rooms and cottages, of which Larry wishes he had more.

Berned's is open every day, except Tuesday, for lunch from 11:00 to 2:00 p.m. It is open seven days a week for dinner, and Prime Rib is served on Saturday and Sunday as well as on holidays.

The knotty pine interior of the resort has wrapped it up in a warm cozyness and the outdoor water activity, which often features ski shows, is an extra bonus that adds to the resorts happy climate.

LAKE COUNTIAN JOINS FAMILY COUNSELING STAFF

A new adoption worker has joined the staff of Family Counseling Clinic in Grayslake to replace Yvonne Conser who is moving from the Lake County area.

Sandra Arbit, ACSW, a Highland Park community leader, has already become an active member of Family Counseling's Adoption Program and a counselor for the Clinic's free pregnancy counseling service.

This counseling is available at no cost to any woman who feels that her pregnancy is a problem either emotionally or physically. Information on adoption, abortion, and agencies who can help financially is

part of this community service.

Ms. Arbit did both her undergraduate and graduate work at the University of Illinois. Her background includes professional experience, community involvement, and that special personality so necessary to deal with this area of social work.

Sandra has been an adoptior worker for the Illinois Department of Children and Family Services, a child guidance counselor for Juvenile Research, and a research assistant for Michael Reese Hospital and Medical Center in Chicago.

As an active member of the Highland Park League of

Women Voters, and a registrar for new voters in Lake County, she has made community involvement an important part of her life.

Sandra was also a co-organizer of the organization STEP (Save Trees, Environment and People) and a participant in the Chicago International Program (CIP). CIP provides housing for foreign social workers and teachers during a four month exchange program.

Married to Jack Arbit, Ph.D., a clinical psychologist with Northwestern University Medical School, Chicago, and the mother of two teenage boys she still finds time to enjoy golf, swimming, reading and travel.

FIREMEN GO TO COLLEGE

At 3:30 a.m. Friday morning, June 15, 1973, six of Antioch's Firemen, including Denny Volling, Dale Frasch, Bill Georgeson, Ken Watson, Jerry Erhardt and Lt. Bill Carney headed for the University of Illinois in Champaign-Urbana. They had to arrive early in order to register in their hotel as well as for classes. Registration was scheduled for 8:00 a.m., their first class was to begin at 8:30 a.m.

There were twelve hours of classes that each man attended. They were allowed to pick from six different categories of classes, which began at 8:30 extending until 11:30, at which time they broke for lunch. The afternoon session began at 1:00 and lasted until 5:00 p.m. with an hour break for dinner, and then continued until 10:00 p.m. It cannot be argued that it was an extremely full and informative day for all of the men that were involved.

On Sunday there were outdoor demonstrations on first aid, the handling of ladders,

procedures for extinguishing fires, etc.

According to fireman Bill Georgeson, who attended Fire College for the seventh year in a row, this was the first time in history that firemen from Antioch were asked to participate in the demonstrations. This was really quite an honor as there were 750 firemen from all over Illinois attending the convention, which by the way, is sponsored by the Illinois Firemen's Association and was the 49th Convention in its history.

The Antioch Firemen were asked to extinguish a fuel oil truck that was busy burning 100 gallons of gasoline. The men extinguished the fire three different times, twice, as a back up crew, with a 2 1/2" line.

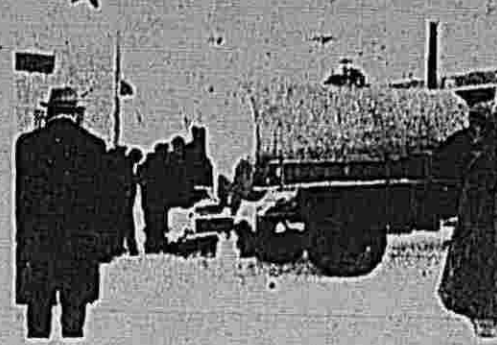

All of the men thought that the weekend was more than worthwhile, as Bill Georgeson said, "Just like everything else, you have to keep in practice, if you don't you won't know what you are doing and you'll go stale."

BASEBALL CHALLENGE TO G.O.P. GAME TO BE PLAYED AT BIG DEM PICNIC

The Democrats have challenged the Republicans to a game of softball to be played at the Serbian Monastery at 2 p.m. on Sunday, July 8. The Serbian Monastery is the scene, and July 8 the date, (from noon to 6 p.m.) of the Democratic Party's annual picnic, an event which is expected to attract a major outpouring of Democrats.

The Serbian Monastery is located just north of Libertyville on Route 63. Admission is by donation, \$1.00, payable at the gate. Children under 12 will be admitted free.

The challenge was submitted by Lake County Democratic Chairman, Hub Stern, to his Republican counterpart, Bob Milton, in a letter dated Jun 16.

In his letter to Milton, Stern said, "The game will be nine innings with each team allowed a full gamut of substitutes, and the only unusual rule will be that each team must have a county-wide, elected official or a County Board member playing at all times. The winning team will receive an appropriate trophy to be held for one year, with the losers responsible for policing the

area and keeping a head on the beer for the rest of the afternoon."

Many local political figures are expected to attend the picnic, which is being chaired by 2nd District County Board Member, Stanley Pekol.

Said Pekol: "We expect the attendance of a number of state officeholders. There will be many kinds of games plus music, food, beer, soft drinks, ice cream and the like—all at modest cost. The picnic is an occasion for family fun, and we urge everyone—Democrats and Republicans—to come and to bring their children."

Dear Editor,

Having lived in Antioch until October 1964; we are always interested in The Antioch News.

Oats and corn for sale 70 years ago was by my father C.G. King. We lived where The Club House is of the Chain of Lakes golf course. My brother Clarence was born there. Ida Runyard Kufalk lived on the farm just to the east on the Loon Lake Road.

I assume the picture "Remember When" is a gathering of old soldiers of the Civil War. My grandfather John King is second from left in front. A cousin Joe Savage is fourth from right in the back row and his brother Lewis Savage, second from right in front.

I recognize several others. I hope there is some one who can name all of them.

I would like to know who owns the picture and its date.

Sincerely,

(Mrs. Frank) Pearl Powles

AND HERE COMES..... MR. SOFTEE !!!!!

Pat Runyard, who graduated from the Antioch Community High School this spring, is now better known as Mr. Softee, at least in Zion, that is.

Having taken a summer job driving an ice cream truck each day from 12:00 noon until 9:00 p.m., Pat takes on the role of Mr. Softee.

His route is in Zion and he covers approximately 77 blocks each day. He spends about 48 hours a week in a large white truck that plays the catchy Mr. Softee Jingle.

The little kids seem to like the ice cream cones and Chileroos (which is ice cream man jive for little frozen dixie-type cups in all different flavors) however, Pat commented that the mother's are big on sundaes and shakes.

Pat said he plays his music at the beginning of each block. "It's amazing," he said, "when I turn on to the street there are millions of kids everywhere, and then seconds later the whole street is empty; then within minutes, they begin to trickle back on to the street with clutched fists already to make a big selection."

Mr. Softee said he really likes his job and that it is fun to see the little kids. It doesn't bother him at all when people have a hard time making up their minds, because he knows that he's still going to make a sale. However, it does bug him when he is constantly heckled for free ice cream.

SPEAKING OF FREE ICE CREAM, Pat can eat all the ice cream he wants. Lime Sodas are his favorite. When asked if he has gained weight in the past three weeks in his role of Mr. Softee, he said, "No, but I am really trying to, you saw me and man am I skinny." This statement is enough to make all of the fatties all over America sick to think of Pat in his nice, shiny white truck full of ice cream.

In the fall, Pat will be attending the University of Illinois at Champaign-Urbana. He will be majoring in Engineering and Physics, a far cry from the ice cream world. When asked if he will continue with his ice cream profession again next year, Pat said that more than likely he will.

What Do You Do With a Dinosaur?

On a camping trip in Alaska, Professor Burns and his son Mark found a real dinosaur egg. It was frozen solid in glacier ice. They took it home and warmed it up - and a baby Brontosaurus hatched out of it! Professor Burns wanted to study the dinosaur himself. So they hid "Bronty" in their house. He slept in a laundry basket in the basement and swam in the bathtub and ate lots of fresh greens. Nobody knew he was there. Then one day Mark took Bronty for a walk to the supermarket. The little dinosaur didn't mean any harm. But he ate six heads of lettuce and knocked down a whole pile of cans with a swish of his tail. Soon the neighbors were buzzing about the Burns's strange pet. "That thing may eat our children!" they shouted. "Get it out of here, or we'll call the police." Professor Burns decided to give up the

dinosaur the next day. But early in the morning, Mark sneaked out with Bronty and hid in the bushes near the lake. After a while they heard screams from the middle of the lake. Two boys were drowning. Mark jumped on Bronty's back, and they swam out to save the boys. Now Bronty was a hero, and the neighbors were proud to have him living there.

FIVE CAR ACCIDENT IN ORCHARD PARKING LOT

On Thursday, June 21st, at 1:56 p.m. a five car accident occurred in the parking lot of the Orchard Plaza Shopping center.

John Wiesolek, Sr., 81, of Rte. 5, Antioch hit one of the cars, which in turn caused a chain reaction striking three other cars.

Wiesolek told the Antioch Police, who investigated the accident, that he was driving

south in the parking lot when an unknown vehicle, came at him at a high rate of speed. The car was driving north-bound in the driving lane. Wiesolek further stated that he swerved to avoid hitting the car and another car, which then hit the other three cars.

There were no injuries suffered in the accident. However, Mr. Wiesolek was ticketed for driving without a valid license.

Along the Way with

Annie Mae

The first day of summer came last week, June 21—hope that means the nice weather is here to stay, but, do we really need all that rain?

The class of 1953 held a reunion on Saturday evening at the Antioch Country Club. Over half the graduating class and their spouses enjoyed a lovely dinner and dance, as well as seeing and renewing old friendships. Judy (Gaston) Hoffman came from Hollywood, Florida and another "coming the farthest" was Sylvia (Beelow) and Boak Baird who traveled here from Loveland, Colorado. Others were from Minn., Wis., and of course Ill.

The weekend was very joyous for the Antioch Fire Department and womens water fighting teams. On Saturday evening, the ladies came home with a second place trophy and on Sunday the men took first place. The events took place at Round Lake where the firemen held their annual carnival. The new fire truck was also driven down on Saturday to take part in their parade.

Jennifer Huber was the guest of honor at a bridal shower given by her sister, Janice, on Sunday. Many lovely gifts were received. The wedding will be July 14 when Jennifer and William Rowe, Jr. tie the knot.

Saturday evening was also a celebration for Wanda and Russ Barthel, in honor of their 25th wedding anniversary. A lovely party for many of their friends and relatives was held at Hunters Country Club in Richmond.

A sun-tanned, well rested William Brook is back with us again, after his recent vacation to Mexico.

Sharon Watson is sending a reminder to the Antioch High School Class of '63 that their reunion is coming up soon. Please send your money for reservations NOW. Cost is \$25.00 a couple or \$12.50 per person for the weekend. This includes the Tea on Friday, Dinner-dance on Saturday and the picnic on Sunday, August 17, 18 & 19, 1973. Send your money to Carol Dalaney, 595 Phillips Circle, Antioch, or phone 395-1713.

Dorothy Wertz and daughter Mary Cunningham and her children Julie and Sandra just returned from Savana, Georgia, where they visited Marlene Clawson (Wertz). They went down for Marlene's oldest daughter's (Sherri Lynn) graduation from high school. Her other daughter Kim will be a junior this coming year.

Talk about traveling—Dorothy and Chas. Wertz and Mr. and Mrs. Arthur Wertz also recently returned from Lily, Wisconsin, where they camped for the weekend in their new Winnebago campers. Ah summer time!

A date to remember—The Viking Boys Football registration will be held on June 30 and July 14 from 8-12 noon at the Scout House. All boys interested please see that you make it to the Scout House on either of those two days.

Dee Stillson Hauser is home again for the summer reports her mother, Goldie. Coming from Zogreb Yugoslavia, with Dee are: Aaryan Pantea, Jason Kayvan and Micheal Andrew, Jr. and her maid. Dee's husband will be arriving next week. While the travelers are here the Stillson's are expecting relatives from DeKalb, Sioux Falls, S. Dakota and Minnesota to come and say "hi".

June is surely the month for weddings. A special happy 50th wish goes to Elmer and Gert Zimmerman who finished out the month on June 30.

Janet Hermann of Racine, Wis. dropped us a line to tell us that her parents, Frank and Connie Feiler, will be married 32 years on the 28th of June. In addition to the anniversary, Frank celebrates his birthday. That's one way to always remember THE date. Congratulations from Janet as well as from us.

Anniversary wishes also go to Mr. & Mrs. Arthur Laursen who celebrate on June 27, to Mr. and Mrs. Myrus Nelson celebrate that special day on July 1 and Glenda and Pete Tomachik and Judy and Ray Kerby celebrate on the 4th of July.

Get well wishes to Lottie Vejvoda who is a patient at Zion Benton Hospital.

Birthday wishes this week go to the Glen Eppers who is 4 on the 27th, to Don Gaa Jr. on that date also. June 28 is the special day for Danny Johnson and a VERY SPECIAL 18th birthday wish to Glen Amundsen on the 30th. Phillip Pahlke celebrates No. 1 on June 30 this year. July birthdays begin with Ben Albergo on the 2nd. and Homer LaPlant celebrates with fireworks on the 4th. Many happy returns to all.

See ya at the Fireman's Dance Saturday nite!!!!

Congressman Robert McClory and Senate Minority Leader, Hugh Scott of Pennsylvania examine replica of Liberty Bell while discussing Senator Scott's forthcoming visit to Illinois to honor Congressman McClory for his Decade of Service in the U.S. House of Representatives. The McClory tribute will be at a dinner meeting at the Sheraton-Waukegan Inn on Friday, July 13. Reservations may be made by contacting Peter Nordigian (Phone-MA3-0112) or Lilia Namann (Phone-234-3053).

LAKE COUNTY AREA VOCATIONAL CENTER GAINING MOMENTUM

Planning for the proposed Lake County Area Vocational Center is steadily gaining momentum. Over 150 persons from business and industry throughout the Lake County have recently become involved in the planning process.

According to Merv Pilotte,

Planning Director for the study, advisory committees for each of the 17 vocational programs have been established. The advisory committee members have been selected on the basis of the expertise in a particular occupation. The committees will advise the

Director and the Board of Control on the specific type of training plan that should be established for each program. Included in this plan will be the job competencies required, the type of equipment to be installed in the facility and the curriculum approach to be used.

An organizational and orientation meeting of all the committees was held Thursday, June 14, 1973. The second round of meetings will be held June 26 and June 27. All of the meetings are being conducted at the County Building in Waukegan.

According to Pilotte the eventual goal of the planning study will be the establishment of a centralized vocational training facility to serve all the high school districts of Lake County.

ORIGINAL RADIO PLAY BROADCAST ON WKRS

An original radio play, written and produced by Pamela Hunley of the Millburn Hornets 4-H Club, will be broadcast over station WKRS, Waukegan, at 10:00 a.m., July 4.

Titled "That's The Spirit," the presentation was conceived to commemorate the 200th Anniversary of the founding of the United States, which will be celebrated officially in 1976.

Highlights of the half-hour program include some of the nation's best known quotations by famous Americans, nostalgia, patriotic and old familiar songs.

Other members of the

Millburn Hornets join Ms. Hunley as members of the cast and the narration is done by Joe Hunley, Pam's father, who is a member of the WKRS radio news staff.

FLOOD RELIEF DEADLINE FOR AID EXTENDED

The deadline for seeking flood relief aid in Illinois from the Small Business Administration today was extended to Tuesday, July 31.

The extension was made in Washington by Thomas S. Kleppe, SBA Administrator, and announced in Chicago by Robert A. Dwyer, the agency's Midwestern Regional Director.

Affected by the action are 49 Illinois counties included in a Presidential disaster declaration, which enables homeowners and tenants, business people, churches, private schools, and other non-profit organizations in the affected areas to qualify for low-cost, long-term SBA loans to restore or replace damaged property not covered by insurance.

Prior to today's announcement, the 49 counties had been covered by a variety of earlier deadlines, the earliest having been June 30.

"Flood victims in all of the 49 counties, Lake County being one of them, now have until Tuesday, July 31, to seek relief through the programs of the Small Business Administration," Dwyer said.

"We would encourage these many unfortunate individuals to do so as soon as possible in any of the many facilities being maintained by SBA throughout Illinois."

PANCAKE BREAKFAST JULY 14

The Antioch Little League and Babe Ruth League will hold their annual pancake breakfast on July 14, Saturday. The hours are from 7 a.m. til 1:30 p.m. The Antioch Methodist Church is the location with ample parking for all. Price of tickets are \$1 for adults and .50¢ for children.

Co-Chairmen for this event are Jack Christensen and George Skopek. They said the boys will be out in uniform over the next two weekends selling tickets. All proceeds go toward expenses of the league such as equipment, umpires fees, etc.

American Legion Auxiliary

Several members received honors at the recent June meeting of the 10th District American Legion Auxiliary, held at the Gurnee American Legion Home. Mrs. Everett Ainsworth, Lake Forest, 10th District President, conducted the session.

In "The Book of Prayers and Devotional Thoughts" contest, Mrs. Arthur Samuelson, Lake Villa, won first prize. Mrs. Logan Kennedy, Baxter Evans Unit, district chaplain, presented the prize on behalf of the Auxiliary.

Unit publicity chairmen whose publicity press books were winners in 10th District competition were Mrs. Coy Casper, Libertyville, first place winner; and Mrs. Alice Czuczor, Round Lake, second place winner. This contest was supervised by 10th District communications chairman, Mrs. Edward Jahneke of Antioch.

Mrs. Ted Odom, Libertyville, district historian; announced that Mrs. William Schultz, North Chicago, was the first class senior winner in unit histories and Robin Chudzik, Lake Zurich, the first class junior winner. Mrs. Odom then read the 10th District history, which she had written, of their activities and achievements.

Eighteen of the 22 Units received awards for their 100% membership goals from Mrs. Norman Holt, North Chicago, district membership chairman. Tenth District is over 100% in membership.

Election of district officers was held, with Mrs. Norman Holt elected as 10th District President; Mrs. Ted Odom, vice president; Mrs. John Chudzik, Lake Zurich, historian; Miss Jacqueline Watters, Grayslake, treasurer; and Mrs. William Solberg, Zion as sergeant-at-arms. Mrs. Holt has appointed Mrs. A. J. Dorn, Mundelein, as district chaplain and parliamentarian; and Mrs. Richard Brown of North Chicago as district secretary.

Mrs. Ainsworth was elected delegate, and Mrs. Holt, the alternate, to both the state and national conventions.

A report was given of the district's past president's parley dinner party by Mrs. Joseph Hogue of Waukegan, junior past district president. Guest of honor was Mrs. Firmen Henricks of Cerro

Gordo, State Junior Past President. In her speech, and since she is a high school teacher; Mrs. Henricks told of how she emphasized the scholarships program. Last year, there were more scholarships given than ever before. As part of the past president's parley program, 26 \$500.00 nursing scholarships went to 26 high school graduates from throughout the state. Also, another 26 scholarships were obtained through the Auxiliary Loan, Education Scholarships program. Again, through the past president's parley program, \$1,500.00 was given for the maintenance of the veteran's craft exchange.

The 10th District Auxiliary will be sponsoring their annual picnic for the women patients at Downey Hospital in the pavilion, August 4th, from 10:00 a.m. to 2:00 p.m. This is still another phase of the past president's program. \$100.00 is allocated for fried chicken, with a pot luck picnic lunch provided by Auxiliary members. It was voted to purchase a Hi Fi phonograph for these women patients, and to donate \$50.00 each for the veteran's craft exchange maintenance; and for the nursing scholarships fund.

Since the 10th District is now fifty years old, Mrs. Dorn and Mrs. Holt brought the highlights of those years to the audience with the aid of 16 members dressed in the fashion of the year involved, with the popular songs then current, played by Mrs. Ruth Hauschild, Libertyville. It was a nostalgic experience, with a great deal of research and time well spent by Mrs. Holt and Mrs. Dorn.

It was announced that 31 Lake County boys are in attendance at Premier Boys' State in Springfield June 24th to June 30th. 1300 boy staters from throughout the state are at this session. Tenth District Units sponsored 19 girl staters to Illini Girls' State at Mac Murray College in Jacksonville June 12th - 19th.

Representing Antioch at the past president's parley dinner were Mrs. John L. Horan, Mrs. John W. Horan, Mrs. Ralph Fields, Mrs. Lydia Peterson, Mrs. Ray Rathmann, Mrs. Evan Kaye, Mr. and Mrs. Edward Jahneke.

FIRE DAMAGES SILAS CORNELIUS HOME INJURES DOG

Fire swept through the home of Silas Cornelius of Antioch at 5:05 a.m. on June 25, 1973. \$10,000 damage was done to the house structure and \$5,000 damage was done to the contents of the house. The fire was contained in the living room and porch area and the cause of the blaze is undetermined. Further investigation will be conducted. The house is located on the South end of Grand Avenue, off Beach Grove Road on the west.

A German shepherd was injured in the blaze, but was revived by the Antioch Rescue Squad.

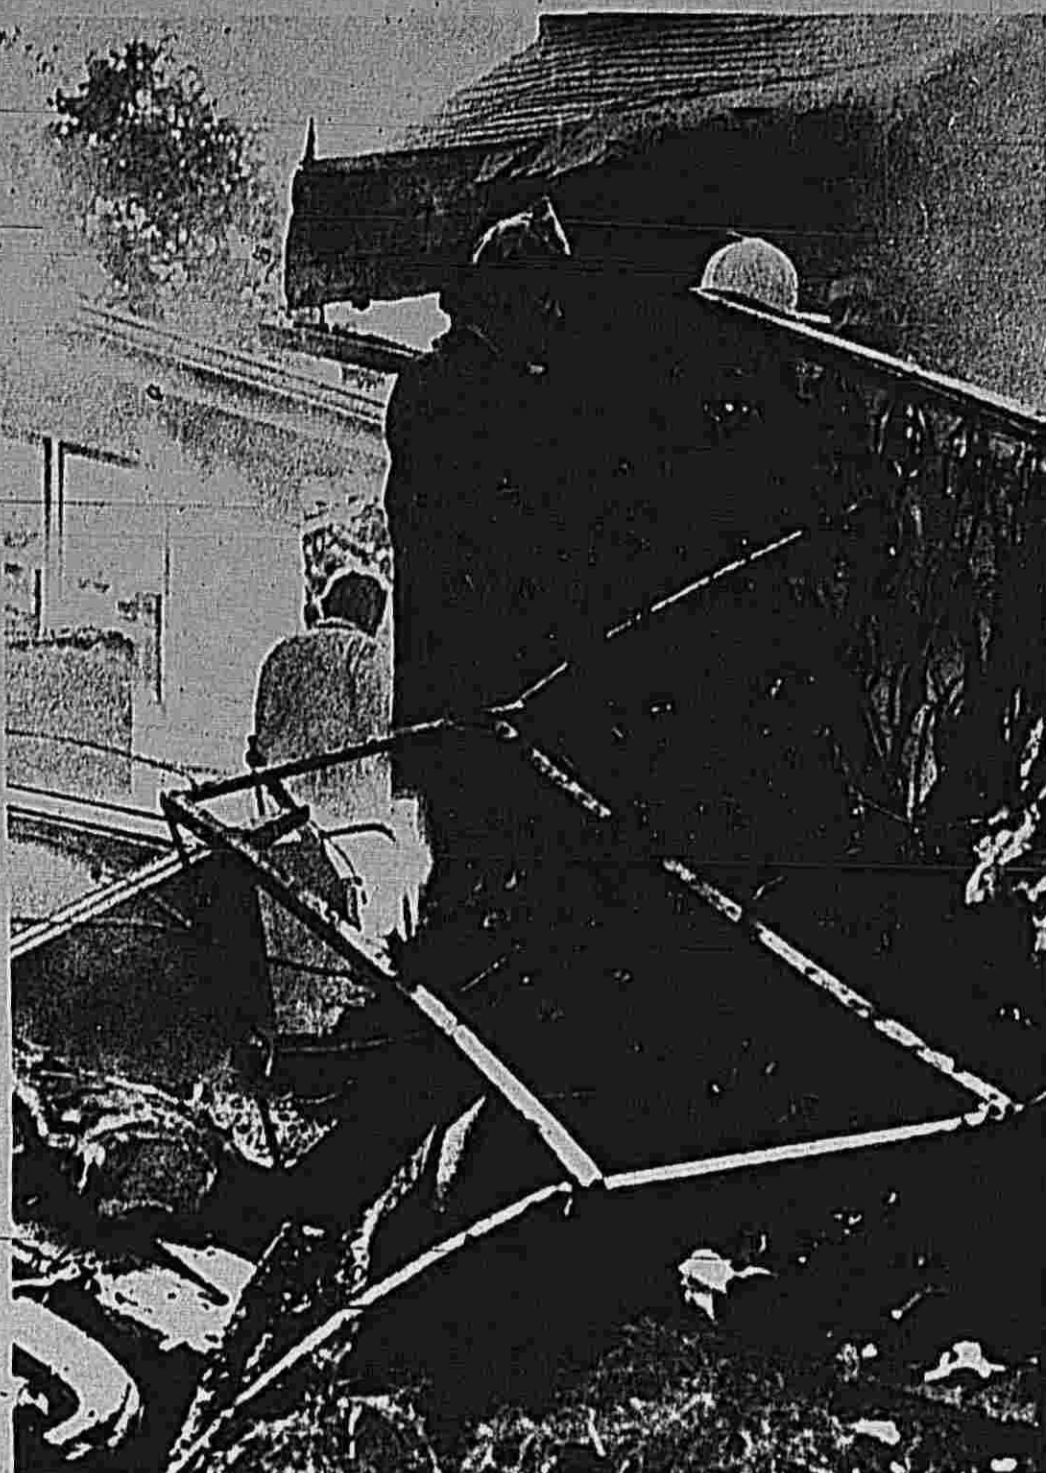

LADIES GOLF TOURNAMENT JULY 23

Brae Loch Country Club in Grayslake will be the site of the second Annual Lake County Ladies Golf Association Amateur Golf Tournament July 23rd sponsored by Radio Station W.K.R.S.

Defending Champion is Marlene Miller of Lake Bluff who is also a former Northern Illinois State Amateur Champion. Other prominent women golfers entered in the 1973 W.K.R.S. Tournament are Marie Sisolak, Bertha Pecaro, Girlie Jaronik, Betty Holland, Betty Steele and Mary McCulloch. Mrs. McCulloch, at the recent Bernard Outing in Grayslake, won a spot in the upcoming Ladies Professional Golfers Association Pro-Am Tournament August 9th at Midlane Country Club in Wadsworth.

The Tournament is open to any woman golfer with an eighteen hole-handicap of 36 or less, who is either a resident of Lake County or has a club affiliation within Lake County. Entries close upon receipt of 128 entries and the deadline is Monday, July 2. Flights will be determined by current 18-hole handicaps and prizes will be awarded to low gross and low net winners in each flight.

Contact Entry Chairman Yolanda Monge or Co-Chairman Ceil Andrews at 244-5500 for further details.

The Antioch Firemen worked hard to extinguish the blaze that ripped through Silas Cornelius's home on Grand Avenue which caused \$15,000 damage. (Staff Photo)

SELECTIVE SERVICE SYSTEM

Mr. Dean S. Sweet, Director of Selective Service for Illinois, is deeply concerned over the many violations of the Military Selective Service Act of 1971. In particular, he is concerned with those men who are, in increasing numbers, failing to register with the Selective Service System.

The Military Selective Service Act requires that men, upon attaining the age of 18 years, register on the anniversary of their date of birth or within the period of 60 days commencing 30 days before their 18th birthday. Those who register late may be reported to the United States Attorney for possible prosecution.

Mr. Sweet further stated that he believes that the majority of the violations have occurred due to the misunderstandings that have arisen since the end of the war in Vietnam and the

many announcements that no further induction calls would be issued. "The elimination of induction calls has in no way affected a young man's responsibility to register with the Selective Service System," he said, and encouraged all men to register on time to avoid future legal problems.

Registration may be accomplished at the Selective Service Local Board Office located at 213 Water Street, Waukegan, Ill. between 8:00 a.m. to 4:15 p.m. Monday thru Friday. Please bring with you a copy of your Birth Certificate at the time of Registration.

ANTIOCH ALUMNA GRADUATES WITH HONORS

Debora Chandler Cado, daughter of Mr. and Mrs. Emery Chandler, received her bachelor's degree a week ago Saturday at Northwestern University's one hundred and fifteenth annual commencement. Debora was one of only eight students to receive special departmental honors in English. To qualify for this distinction, she participated in a specially selected seminar, and wrote a lengthy critical paper, which was reviewed by a board of professors and department heads. The candidates' grade averages and teacher recommendations

were also considered in the selection of students to be honored.

Debora has also been given special recognition for having completed her B.A. in English as well as all the requirements for a secondary teaching certificate in only three years.

She is presently employed by the National Achievement Program, a branch of the National Merit Scholarship Corporation. Debora plans to work while her husband finishes his masters degree in special education at National College of Education in Evanston. He has been given a full scholarship for the coming academic year.

Religion-Fine Arts Center is a third completed with the second phase of its three-stage construction program now in operation. The new W.A. Seidemann Natatorium was put into operation last March.

SHEEHAN - POWERS

On Saturday, June 9, 1973 at 4:00 p.m., Miss Karen A. Sheehan, daughter of Mr. and Mrs. Warren Sheehan of 735 East Grand Avenue, became the bride of Jerold L. Powers, son of Dr. and Mrs. George H. Powers of Iowa City, Iowa.

The ceremony was written by a history professor at Cornell College, Mt. Vernon, Iowa (alma mater of couple) and was performed by Rev. David Lynch at the Prince of Peace Catholic Church in Lake Villa.

Karen wore the gown that her mother had worn 26 years ago on June 8, 1947. The gown was of English lace with a fitted bodice, tier skirt, full train and 3/4 length puffed sleeves. The bride also wore a Juliet cap lace headpiece.

Maid of Honor was Debra Zeason of Camp Lake, Wisconsin. Best Man was Hal Myatt of Milwaukee, Wisconsin.

SO-CI'E-TY

n.; pl. TIES. (L. societas fr. socius a companion; cf. F. societe. See SOCIAL) the relationship of men associated in any way to one another: companionship; fellowship; connection; participation.

Bridesmaids were Mrs. Linda (Ken) Meyer of Momence, Illinois and Marcia Sheehan of Lake Villa, both sisters of the bride, and also Phyllis Gebhardt of Ottawa, Illinois. Groomsmen were Phil Haag of Western Springs, Illinois and J. Michael Powers of Iowa City, Iowa, brother of the groom.

The reception was held at the V.F.W. Club in Lake Villa. After a honeymoon trip on June 10 to Wrigley Field for the Cub's game, the couple now live in Iowa City, Iowa.

Karen is a 1973 graduate of Cornell College, Mt. Vernon, Iowa—Kappa Theta Social Sorority. Jerry is a 1972 graduate of Cornell College, Mt. Vernon, Iowa—Beta Omicron Social Group.

Jerry will enter the University of Iowa Medical School in the fall. Karen is employed at the Herbert Hoover Presidential Library in West Branch, Iowa for the summer.

The organist at the wedding was Steven Keisler of Antioch, who is a cousin of the bride. Soloists were Ken Smouse of Antioch and Linda Meyer of St. Louis, Missouri, who is a

friend of the bride.

Guests attending the wedding were from Arizona, Ohio, Florida, Wisconsin, Iowa and New York.

THREE PENNY OPERA NEXT FOR PM&L

Rehearsals are well under way for PM&L's challenging production of the musical melodrama, *Threepenny Opera* by Kurt Weill and Bertolt Brecht, which will be presented at the PM&L Theatre on July 21, 28, 29, and August 3 and 4. Curtain time is 8:30 p.m.

The *Threepenny Opera* is based on the story of the *Beggars Opera* and is the story of Macheath, better known as Mack the Knife, leader of London's most notorious gang of thieves and cutthroats.

Ken Smouse, veteran director for PM&L has chosen the following cast: Bill Clark from Lake Villa plays the street singer. Jim Nutter from Antioch is Macheath. Donald Beveroth and Charlotte Worswick from Paddock Lake play Mr. and Mrs. Peachum and Rita Rosol from Ingleside plays their daughter Polly who becomes entangled with and marries Mack.

Phil Schwartz from Antioch plays Filch, an amateur beggar. Jenny, former love and final betrayer of Mack is Lyn Zaehler of Antioch. Tiger Brown, chief of police, is enacted by Bob Andresen of Kenosha, and Lucy Brown, Tiger's daughter and former wife of Mack is Kathy Boarinin from Antioch. Hank Apostol from Antioch plays the head constable and director of the prison.

Mack's gang includes George Blanksten and Bill Sershon from Antioch, Bob Bundy from Fox Lake, and David Oelerich from Lake Villa.

Women of the street are played by Nanci Eberman, Sue Abderholden, and Ricky Apostol from Antioch, and Phyllis Paulson from Ingleside.

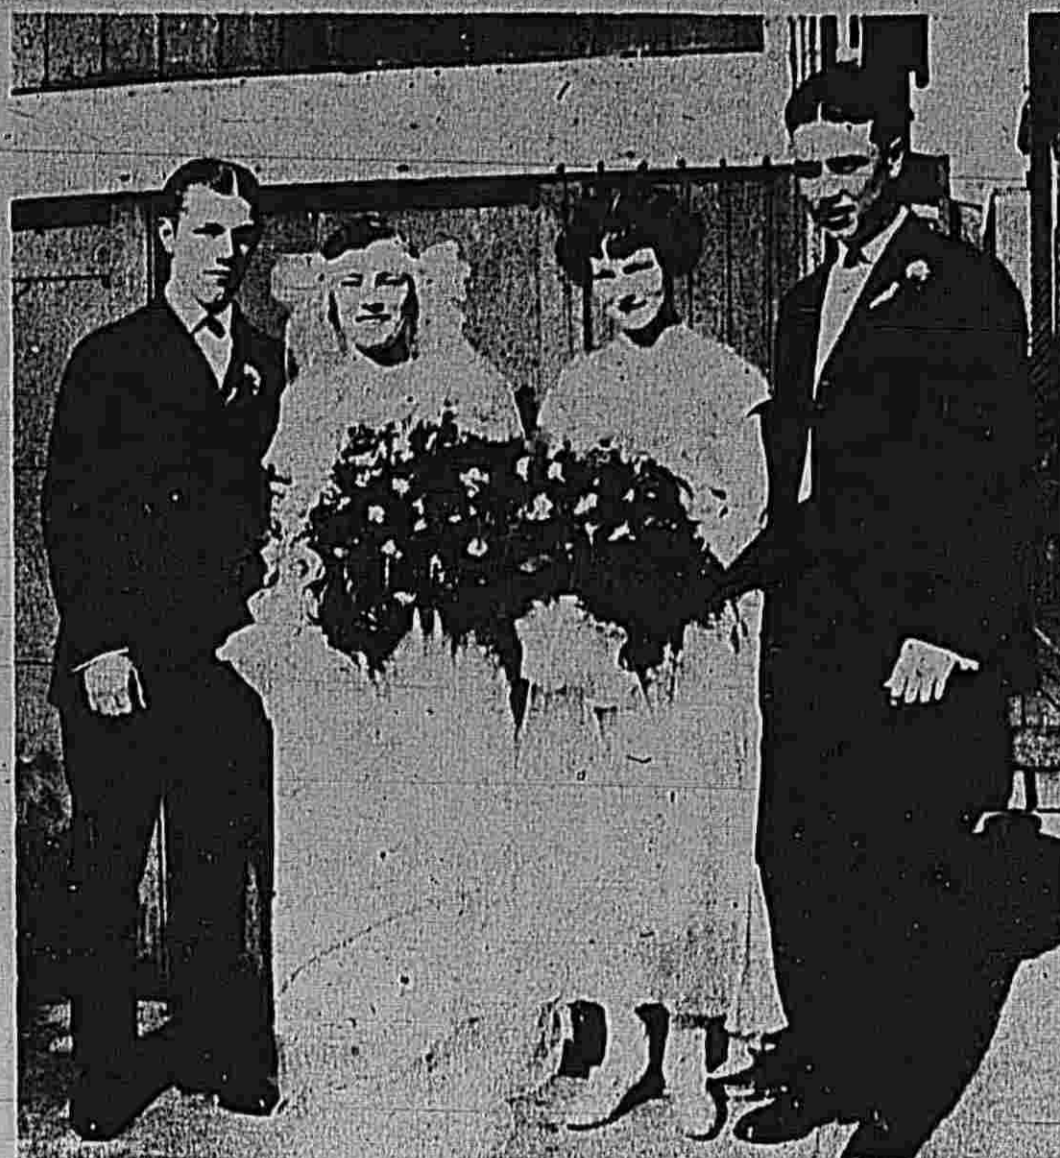

Beggars are Todd Seisser from Antioch and Charles Brown from Lake Villa.

Musical director for the show is Mrs. Eva Harper from Antioch who teaches vocal music at North Park College. Choreographers are Lyn Zaehler and Sherry Giamo from Antioch.

Reservations can be made by calling 395-9702. Prices are \$3.00 for adults and \$1.50 for students. This is not included on the Season 12 ticket.

RAINBOW NEWS

On Monday, June 11, 1973 the Order of Rainbow for Girls had their second meeting for this team. Because of our Worthy Advisor's (Sue Rigby) absence we had our back-up night. That's when the line officers move one station back. Richelle Radke was the Worthy Advisor for the evening. Afterwards, there was punch and cookies for refreshments. Everyone had fun.

MR. & MRS. ELMER ZIMMERMAN CELEBRATE 50TH ANNIVERSARY

Mr. and Mrs. Elmer J. Zimmerman will celebrate 50 golden years of marriage on June 30, 1973. Their special day will begin when they renew their marriage vows at 12:00 Mass at St. Peter's Church.

The Zimmermans and family spent their summers in Antioch since 1926 and finally moved to their permanent

home in 1959.

Mr. Zimmerman was an electrician in Chicago for 50 years before he retired and Mrs. Zimmerman taught school in Chicago before coming to teach at St. Peter's in Antioch in 1959. They have two children and eleven grand children. Quite a rewarding 50 years of marriage.

DONNA KESSLER ON DEAN'S LIST

Donna Kessler, daughter of Mr. and Mrs. H. Richard Kessler of R. R. 4, Antioch, is one of 218 students at MacMurray College in Jacksonville to be named to the Dean's List for the second semester of the 1972-73 academic term.

In order to qualify for the Dean's List, a student must earn a grade-point average of 3.50 based on a 4.0 scale in at

least 14 hours of academic work.

Of this number 76 students completed the semester with a 4.0 (straight A) average.

MacMurray is a four-year liberal arts college with an enrollment of approximately 900 students. It offers 37 academic and pre-professional programs leading to the Bachelor's degree in arts, science and music.

TEKAMPE — SCHOELZEL

At 2:30 p.m. on June 23, 1973 Miss Jean Schoelzel and Mr. Richard TeKampe were united in marriage at the Millburn Congregational Church. Rev. L. Messerschmidt performed the double ring ceremony.

The bride wore a gown of taffeta covered with miramist with a lace covering she made herself. Her fingertip veil fell from a headpiece of pearls and rhinestones. She carried a bouquet of stephanocis and baby's breath.

Attending the bride were Maid of Honor, Ann Sommerfield, Matron of Honor, Sylvia Blake, Renne Desbins, Janet Schoelzel, Pam Lesko and Judy Schoelzel. The girls were in blue and yellow with flowers dyed to match the color of their dresses. Attending the

groom were his best man, Art TeKampe, Jerry Blake, George TeKampe, Ken Christiansen, Jeff Schoelzel, and Keith Paddock.

Jerri Cay Schoelzel was the flower girl and Jay Schoelzel was the Ring Bearer. Minature Bride and Groom were Pam Blake and Jon Schoelzel.

Jean is a graduate of Antioch High School and is presently employed at Lakehurst. Her husband is a graduate of Carmel High in Mundelein and is employed as a chef at Great Lakes.

Following the wedding a reception was held for 250 guests at the Lake Villa V.F.W. Hall.

A trip to the Pocono Mountains in Pennsylvania was planned for their honeymoon.

Waukegan Girl Wins Bi-Centennial Design Competition

During ceremonies in Springfield last week, Gov. Dan Walker presented a \$1,500 scholarship to Robin Neumann, 18, of Waukegan (second from left) for winning first place in the 1973 Illinois American Revolution Bi Centennial medallion design competition. Miss Neumann's winning entry (shown in background) was chosen from hundreds submitted by high school students across the state and will appear on the official medallion to be released by the Lincoln Mint of Chicago on August 6. Similar contests will be held through 1976.

Pictured from left to right are: Sen. Hudson R. Sours (R-46th); Robin Neumann; Governor Walker; Sen. Sam Vadalabene (D-56th); and Rep. J. David Jones (R-50th). Sours and Vadalabene serve as vice-chairmen of the commission, which conducted the contest, and Jones is commission secretary.

Sterling silver and bronze versions of the medallion will sell for \$12.50 and \$3.50, respectively. They will be available through participating banks, savings and loan institutions, utility companies, selected retail outlets, service and fraternal organizations.

WOMEN OF THE MOOSE

The last meeting of the current year was held on June 21st. Donna Anderson was enrolled, sponsored by Norma Lowe, who is Queen of Sponsors for the year. She was honored at the annual dinner, held at the Moose Home on May 17th. Norma has sponsored nine candidates this past year, while serving as escort to the Jr. Regent, Dorothy Laursen. Congratulations, Norma!

Birthday marchers were Estelle Gatch, Lolly Maloney, Ann Stickler, Helen Lovell and Karen Bartuska.

A Graduate Regent charm was presented to Judy Page, having completed her year as Jr. Graduate Regent.

Senior Regent Karen Bartuska was escorted to the altar to receive her ring, a gift from the chapter and a feather doll, with dollar bills pinned to her skirt, a gift from the co-workers. The beautiful doll was fashioned by Judy Page.

The Publicity committee also presented Karen with her scrap book, filled to overflowing with mementoes of her year as Senior Regent. A beautiful suede leather cover, inscribed with her name, year

and chapter, was made by Past Governor Lester Sperling.

Jerri Polson was also escorted to the altar to receive an Honorary Mooseheart High School Diploma. Jerri was recommended for this honor by the chapter for outstanding service to the Women of the Moose.

Installation of new officers was held June 23rd. The following elected and appointed officers for the ensuing year are as follows: June Ballenger-Senior Regent, Karen Bartuska-Jr. Grad. Regent, Dorothy Laursen-Jr. Regent, Norma Lowe-Chaplain, Judy Page-Recorder, Judy Cook-Treasurer, Dorothy Tralewski-Guide, Stephanie Polson-Ass't. Guide, Roseann Mazzio-Argus, Marjorie Hartman-Sentinel (who was ill and will be installed at a later date), and Collegian Gladys Schroeder-Pianist.

Installing officers were Pat Wagner-Chairman, Governor Al Ballenger-Regent, Collegian Shirley Gehrls-Guide, Catherine Kloth-Chaplain and Emily Novotny-Pianist. Pat Sperling and Helen Lovell were Guides for the evening. Installing Escorts were Collegians Gert Good, Alice Young, Jerri Polson and Re Hadley. Flag Bearer was Earl Ballenger, in Cub Scout uniform, and the son of the in-coming Senior Regent and Gov. Al Ballenger. Milly and Dick Stroner performed

their usual feat of preparing delicious food served to all in attendance. Dancing to the Tone Beams climaxed an enjoyable evening.

Advance Dates: Ritual Practice for all new officers, escorts and chairmen-June 28-7:30 p.m. Audit-July 5th-June Ballenger's. College of Regents Chapter night program and first meeting of the new year-July 12th.

Congratulations to Cheryl and Larry Wise! It's a boy-born June 23rd!

THE CLEVER CLOVERS SECOND ANNUAL ACHIEVEMENT PROGRAM

On Thursday evening June 7, the Clever Clovers 4-H Club held their annual Achievement Program at the Antioch United Methodist Church. Shirley Fosmark, the President, served as Master of Ceremonies. Lorna Whitton, Shirley Fosmark, and Marsha Fallon gave Food demonstrations. The Program continued with Stitchery demonstrations given by Beverly Givens, and Julie Morris. Sewing demonstrations were next on the program. They were given by Laurie Poulos, Annette Zitkus, and Debbie Krupo. To conclude the demonstrations Cheryl Poulos, and Judy Houghton gave Ceramic demonstrations. The Achievement Program was open to the public. Many of the mothers and fathers were there and guests too! Refreshments made by the Clever Clovers were served while everyone viewed the many projects displayed by the club.

\$31,730 AWARDED TO CLC STUDENTS

"As of June 18, 1973, College of Lake County students have been awarded \$31,730 in Illinois State Scholarship monies for the 1973-74 academic year," according to Sam Mazman, CLC financial aids director. "Many more CLC students would qualify for this financial assistance if they would simply apply," he said.

RAY SCOTT & JEFF STEPHENS PERFORMING TOGETHER

Ray Scott from Arlington Heights, Illinois and Jeff Stephens from Antioch, Illinois are two Country Artists who have been performing together around the Midwest for 2 years.

Ray Scott, formerly with "The Ides of March", left the group a few years ago to become a Country performer. He has played numerous College Concerts, performed with many different Country bands and is now with Jeff

Stephens as a duo.

Jeff Stephens has played Country Music all his life. He is a Country Lead Guitar player. Jeff has played with such fine Artists as: Wes and the Plainsmen, behind Jeannie Sheppard, Faron Young, George Morgan, Dottie West, Ernest Tubb and many others.

Ray and Jeff met at a jam session and decided to team up. Since then, they have performed in many nightclubs and done several guest appearances with their own band and as a duo.

Last fall Ray and Jeff met a Mr. Karl Davis. Mr. Davis has been around for years and was into Country Music when it first happened out of Chicago back in 1927. Karl Davis taught Ray and Jeff the history of Country Music. Mr. Davis was big in his time, having written songs for Jim Reeves, Chet Atkins, Everly Brothers, Jerry Reed, Hank Locklin, The Imperials (who back Elvis Presley) and further achieved national fame by writing the standards "Kentucky" and "The Country Hall of Fame".

Alot of people forgot Karl Davis as Country Music went on. Ray and Jeff decided to do one of Karl Davis's songs. They both like the "Song Our Partner Sang" written by Karl Davis in 1931. They decided to do this song as opposed to one of their own for all the years Karl has put into music and to pay tribute to one of the Forefathers of Country Music.

After rehearsing the song, Ray Scott and Jeff Stephens went down to Nashville, Tenn. earlier this year and recorded "Song Our Partner Sang". They hired many of the famous Nashville Sidemen and along with this years grammy award winner, Charlie McCoy, came up with a hit single.

Their record "The Song Our Partner Sang" is now currently being played on WJJD here in Chicago. These two talented Artists are planning to tour later part of this summer and should be recording their first album this fall.

Certainly, the future holds bright promise for these two gentlemen and maybe, because of their efforts, one of Country Musics most forgotten song writer will once again be brought back to the Public's eye.

ARIES (March 21-April 20): The Aries-born enter a period of favorable for romance during July. Problems involving relatives could crop up over weekend, but your practical nature and tact helps avert quarrels. Although social and romantic cycle is high, avoid major decisions in personal life at this time. Best days: Saturday, Monday.

TAURUS (April 21-May 20): Midweek can bring an upturn in financial affairs. Superiors may be impressed with your work. Unexpected news involving a family member could be a pleasant turn of events. Best days: Sunday, Thursday.

GEMINI (May 21-June 21): Favorable aspects for shopping for gifts, new apparel. But watch major financial decisions carefully. Weekend excellent for entertaining family. Friends can offer good advice during week. Best days: Monday, Wednesday.

CANCER (June 22-July 21): Be conservative in all financial transactions. A period in which you may feel especially close to loved ones and will want to demonstrate affection. Career aspects on the rise during latter part of week. You can impress superiors with your ability. Best days: Saturday, Thursday.

LEO (July 22-Aug. 22): Moon in your sign makes this a favorable period for almost anything you want to do. Social activities, romance and career plans can blossom. Watch your grooming to make a good impression. Best days: Sunday, Tuesday.

VIRGO (Aug. 23-Sept. 22): Do not allow family problems to upset you unduly. Things have a way of working out. Creative projects well aspected during this period. Pay close attention to financial details. Best days: Tuesday, Wednesday.

LIBRA (Sept. 23-Oct. 22): It doesn't pay to worry about things you cannot change. Weekend fine for a holiday excursion. Romantic cycle is high. Show affection to loved ones. A person in authority could prove helpful. Best days: Sunday, Wednesday.

SCORPIO (Oct. 23-Nov. 22): A good time to shop for clothes and seek similar self-improvement goals. A new wardrobe can boost morale and draw notice. Seek out opportunities for a more active social life. Excellent aspects ahead in career matters. Best days: Tuesday, Wednesday.

SAGITTARIUS (Nov. 23-Dec. 21): Take care in financial matters. Weekend is well aspected for catching up on detail work, getting more rest. You may feel a new burst of energy at work during midweek. A favorable time for planning career improvements. Best days: Monday, Tuesday.

CAPRICORN (Dec. 22-Jan. 20): Difficulties with co-workers or associates may irritate you, but a calm attitude can see you through this period. Financial aspects brighter early part of week, perhaps through plans that conserve your resources. Adequate rest can stave off health problems. Best days: Sunday, Tuesday.

AQUARIUS (Jan. 21-Feb. 18): A new and exciting cycle begins for those born under your sign. Surprise news could bring opportunity, chance for financial advancement. Don't allow enthusiasm to overcome natural caution in budget matters. Best days: Friday, Sunday.

PISCES (Feb. 19-March 20): Solar signs favor family activities, particularly during holiday period. Social pace may increase. A good time for planning vacation trips and for making new acquaintances. Best days: Tuesday, Thursday.

SUMMER EYES NEED SUNGLASSES

Sunglasses are not just a beauty aid, scientists have found. A person's eyes normally use 25 percent of one's total physical energy, and exposure to glare or strain hikes that percentage rapidly. As a result, you tire faster when your eyes are under a strain.

But don't rely on cheap sunglasses, the Illinois Society for the Prevention of Blindness warns. Distortion from poorly made lenses can cause just as much strain as the bright sun. Thanks to new Federal Food and Drug Administration Regulation; all sunglasses must now be made of impact-resistant materials, so the danger of eye injuries has been drastically reduced.

What is the best color for your sunglasses? Neutral gray is favored because it transmits all colors in their true relationships, while a green tint is the second choice of scientists. And if you wear corrective lenses, sunglasses ground to your prescription can be a decided convenience.

"Hindsight's Better Than Foresight"

by: Rev. Eugene Keusal

In the Past few months many of the stores in downtown Antioch have had a face lifting. Time, weather and use have convinced the business men to modernize the downtown stores. As a result you can see new facades being put up on many of the stores. With stores and things facades work. With people facades do not work.

Life is about becoming yourself. Facades in the long run make life difficult. The strange thing about false fronts is that not only is the individual himself aware of the phony appearance but other people soon become aware of them too.

Artificial things are used and appreciated by most people. No one however likes artificial people. People must be for real. Facing reality is how we grow and become what we were intended to be. A facade of any kind only stunts our development as human beings. We are beautiful people and will remain that way only if we can be aware of and tear down the wall that separate us.

Over the years all of us have learned to put up facades, walls or use other tricks to protect ourselves from being hurt. As Christian people we must learn to be open and honest with people. Will some people take advantage of you if you're open and honest with them? Yes! they will. But other people will be able to see the God to whom you are giving witness.

With a Stern Eye

There has been a general feeling hereabouts—and I suspect it is pervasive throughout the country—that there are no ethics at all in government in 1973. One is instantly vulnerable—placed at once upon the defensive—when identified as a politician. Neither party has had a corner on the indictments or scandal, however. There was a time—when I was new to my job and people asked me what was involved in being County Clerk—that I would respond: "Think of me as the Edward J. Barrett of Lake County." I don't say that any more. And my anger at Mr. Barrett is far greater than if I were a taxpayer from Cook County. I feel personally betrayed.

I don't need to say that the Watergate exposé has done similar ugly things to the credibility of the Republican party. So where are we? Is there nowhere to place our faith? Are public servants really only serving themselves?

I don't believe that. And the thing that I find most worrisome is the widespread disillusion that is creeping in all directions from the newly uncovered maggot heaps. It has never been more important than today, for us to understand the different responsibilities of the Elected and the Electing.

When a man (or woman!) stands before the voters and declares candidacy for public office, those who listen should be entitled to believe in his (her) integrity. In effect the candidate says: "Try me out—test me—ask me questions. Listen carefully to what I tell you of my opinions and plans before you make your decision. You may rely on one thing however: my integrity. It is absolute and unshakable."

There was a time when opposing candidates for the same office looked upon one another and spoke of one another as honorable individuals—as men who had taken the same facts and, by honorable routes, come up with different answers. Being of "the other" political party did not automatically infer either venality or integrity. The candidate's responsibility is to be an honorable human being—one who, if elected, will do an honest job within the limits of

his personal capacities.

The voter's responsibility is a little different. Having elected his candidate he must not avert his eyes from the performance of that officeholder. Surely in Lake County alone, we have seen enough examples of officials whose bad habits became matters for the court to adjudicate. How did former Treasurer Raymond Sheehen manage to put in for (and collect) nearly \$4,000 of undocumented expenses per year during his tenure, without anyone (ah there, Finance Committee) paying the remotest attention? What of the continued presence of the mayor and members of the Waukegan City Council on certain local Bank Boards of Directors and the stockholders' lists? The Grand Jury of 1970 pointed out the conflict—the newspapers printed it—and everyone forgot about it. Including the State's Attorney.

We are all tired of the old cliché that says people get the sort of government they deserve. An ugly thought: blaming the thievery of officeholders on the folks who voted for them. Not exactly. Blaming it more on all those who didn't vote at all (the Lake County Board was elected in 1972 by 17 of the registered voters)—and blaming it in part on the discontinued vigilance of those who did. One of the responsibilities of the Electing is to keep

in touch with the Elected. Close touch.

A good deal has been said recently about the media role in Watergate—the critical T.V. commentators, the vindictive newspaper columnists, the rabid reporters. Like everyone else the press has reflexive way of protecting itself. 1973 had come perilously close to 1984. And someone pointed out to me the other day that one cannot think of a nation in which the press has overcome the government, but it isn't difficult to name any number of nations in which the government has overcome the press.

The "Degree Completion Program" recognizes the modern trend to accept an increased number of credits from professional course work that nurses have already taken.

In addition to acceptance of credits from other institutions, the College of St. Francis also

recognizes the worth of professional work experience and grants credit for such experience.

Registered nurses, whether employed in hospitals, clinics, schools, nursing homes, or any other health care facility, are eligible to be considered for a total of 96 semester hours. The nurses must have graduated from a three-year nursing program and have at least two full years of successful work experience in the past five years.

If the nursing program was two years, three years of work experience are required.

RAIN HITS WILMOT FOR SECOND TIME

Rain again forced cancellation of the Interstates Racing Association program of super modifieds and sportsman stock cars at the New Kenosha County Speedway. The score now reads only one race completed and two cancelled so far in the 1973 season.

However, the track did not open until Saturday June 9 because of completion of the new facility and weather problems caused the major share of that delay too.

Defending IRA Champion Johnny Reimer, Caladonia

REIMER STARTS IRA STRING AT GENEVA

Johnny Reimer, Caladonia wound up a racing weekend with his second win in the IRA super modified stock car races at the Lake Geneva Raceway on Sunday night. Saturday he raced in the USAC late model stock cars at Indianapolis and finished 7th. Sunday afternoon he had his late model at the ARCA late model race at the Capital Speedway where he finished 6th.

Ron Bergsma, Richmond started the feature on the pole and led until he caught the back of the pack and then Reimer cut down the lead and drove around Bergsma who finished second ahead of Roger Iles, Waukegan; Jim Moulis, Antioch and Whitey Harris, Lake Villa. Fast time qualifier, Roger Otto, Burlington was sixth.

Larry Ninneman, Milwaukee won the 15 lap semi-feature race after moving around Darrell Dodd, Waukegan who finished second ahead of Bill Klein, Burlington. Twelve lap heat races were won by Dennis Jansuz, Greenfield; Bill Kelly, McHenry; Reimer and Otto.

would have missed this last Saturday night at Wilmot anyway. He was in Indianapolis Indiana at the Fairgrounds racing with the USAC late model stock cars. The rain out at Wilmot helped him to stay ahead of the others at least as the track record holder, Jim Moulis, Antioch, continues as the Wilmot IRA point leader in the super modifieds while Ray Dobbs, Ocanamauc leads the IRA Sportsman stock cars.

Reimer returns to a busy schedule with IRA. They have a 35 lap feature on Saturday Night June 30 at Wilmot and then start a busy Holiday schedule. Tuesday July 3, Reimer will be racing at the Capital Speedway in Oregon against late model stock cars. It will be the second in a series of late models VS the super modifieds.

On the 4th of July, Reimer returns to Grundy County Speedway in Morris, Illinois for an afternoon super modified championship series. The second will be held there on Labor Day, September 3. Reimer won there last year on that date. on Friday, July 6, Reimer will be among the more than 75 cars expected for the Hales Corners Speedway IRA Super modified stock car races.

In addition, Reimer will be trying for a starting field spot in the USAC late model stock car Miller 200 at Milwaukee on Saturday afternoon. He will race at Wilmot on Saturday night and return to Milwaukee to race on Sunday in his 1973 Camaro and then rush to Lake Geneva for the IRA super modified race there on Sunday night.

QUARTERBACK BATTLE SHAPING UP AGAIN

A major battle for the starting quarterback assignment is shaping up again this season for the Lake County Rifles.

Robert Berezowitz—better known as The Red Baron—reported to practice June 19 in excellent condition. Berezowitz last year was traded by Delavan for 25 players but left the team after the first game.

Berezowitz, a McHenry county resident who teaches school there, holds many single game records in the Central States Football League, made when he was with Delavan. These records include the most touchdown passes with 5; the most completions with 21 and he also is second with 20. He also holds the record for the most yards gained with 407 and he is in third place with 346, one yard in back of the late Fred Custardo of the Rifles who also had battled to win his starting quarterback position six years ago.

the week for his all around play.

Candy Laureano of the State Bank team found himself in a predicament during Sunday's game against Charming. There was Joe Cermak (top) with the ball, blocking his way to second base. Candy became the "Artful Dodger" for a while, as he attempted to elude half the opposing team (middle) including Dave Zitkus, Tom McAvoy, and Ken Breidel, only to be tagged (bottom) when he finally got to second. (Staff Photos)

Challenging the poised veteran for the quarterback spot is Rocky Self, a self assured young letterman from Texas A & M. His best game came in 1969 against Army at West Point when Self was named the Southwest Conference back of

Coach Robert Franz said the battle for the starting quarterback spot may involve a third outstanding player. "Let's just say he is a mystery man for now—but I am hopeful that he will be joining us soon."

Other veterans to sign include offensive ends Rich Wheeler from St. Joseph's

College and Ray Carskie from Missouri Valley. Defensive half back Bruce Heagstedt from the University of Michigan, John Angel, a tackle and place kicker Alan McNeil from Lawrence who led the Rifles in scoring last season also signed.

The first game of the 1973 season will be played against the Manitowoc Chiefs at 7:30 p.m. July 21 in Carmel Field on highway 176 in Mundelein.

ROPER RACES INTO WINNING CIRCLE

Bob Roper of Chicago raced back into the winner's circle at the Waukegan Speedway Sunday night after a thrilling feature race dual with Tom Jones. The large crowd was on their feet for much of the final 25-laps as the two leaders were bumper-to-bumper and, at times, side-by-side. Rick Kleich finished third.

The night was full of spectaculars starting with Lee Schuler's spectacular ride over the homestretch wall in the fast heat and then Dennis Johnson's unbelievable fire in the first lap of the feature. Both driver's escaped injury and plan to enter the big dollar 50-lap race next Sunday night. There will be no racing on the 4th of July.

Saturday's late model 'sportsman' will also compete in a 50-lap race Saturday night with a large field expected.

The entry list, which swelled to 32-late models Sunday night, required a consolation race which was won by Roy Acuff in the final turn. In the second heat race Larry Schuler scored his first career race win taking the 10-lap event in George Appleton's sleek 1972 Chevell convertible.

The feature got off to a hot start as Johnson grazed the backstretch wall on the start breaking an engine mount and pulling the oil line loose. The car erupted in flames completely engulfing his Torino and sending trailing cars in every direction.

Johnson pointed the car into the pit wall and bailed out with the track safety crew quickly extinguishing the blaze. Larry Schuler grabbed the feature lead from Gary Zobel on the restart and led for three laps before Rick Kleich took over.

Roper stormed in front on the 5th lap with Jones second a lap later. This pair then left the balance of the field in a near record pace with Jones trying every trick and skill 'in-the-book' to gain the lead, but he had to settle for second money at the finish. Kleich held third and Ed Hoffman, who had the night's fast time, was fourth after dropping way back in the third lap. Larry Schuler was fifth followed by Dave Evans, Tom Musgrave, Jacques Terrault, Elmer Musgrave and Don Marmor.

Roper also won the trophy dash and the fast heat Sunday.

TRANSMISSIONS AND REAR AXLES

All Ford Motor Company manual-shift transmissions are fully synchronized for smooth, quiet upshifting and downshifting, and to provide longer life.

The Ford Division cars' automatic transmissions, SelectShift Cruise-O-Matic, and the Lincoln-Mercury Division cars' automatic transmissions, the SelectShift, are all 3-speed types for more agile performance than the 2-speed types. The SelectShift transmission lets the driver shift gears manually, or enjoy fully automatic operation as he prefers. The flexibility is nice to have where more than one family member drives the car. And most of the SelectShifts feature improved transmission cooling, too.

Highlights

After 1st round action, Jack McAvoy's Charmglow team remains undefeated with a 5-0 record. A solid pitching staff of Dave Zitkus, Jack McAvoy and Ken Breidel coupled with catcher Jim Bodin's rifle arm and a consistent hitting attack makes Charmglow a tough combination to beat. Only a game behind, Walsh's All Seasons also is deep in pitching with Mat Warner, Chris Boarini and Bruce Tossey and slugger Jeff Eder doing the catching. Jim McLellan's play at shortstop has been outstanding. Antioch Drugs is rebuilding after 3 championship seasons with Lefty Ron Sheedlow back from vacation, the pitching should improve. Tom Gutowski and Pat Houghton give the Medicks a slick fielding double play combination.

The Advertisers lead the National Division and have gotten outstanding back to back pitching performances recently from Bob and Bill Dubek. Solid hitting by catcher Mitch Witt, Dick Kessler and Paul Petty are making things tough for opposing pitchers. Shure Fire had a good draft this spring and are improving rapidly. Big John Christensen leads the league in homers with veterans Dave De Boer and Dave Bogaret adding balance. State Bank is fielding 6 rookies in their starting lineup. Losing their star pitcher and hitter Ken Cach with a broken leg in the opening game has really hurt.

A team of All Stars from the Babe Ruth teams will represent Antioch in the National Babe Ruth Tournament. Opening game is Saturday, June 30, at 12:30 p.m. against Barrington at the Barrington High School Field. This year's tournament team is managed by Dick Witt.

Antioch vs Gurnee

On June 22, Antioch made their record 3 and 3 by beating Gurnee 5-4.

Antioch scored their first run in the third. With 2 out, Tom Underhill reached first base on a fielder's choice and advanced to second on Tim Mieuire's single. An error on the left fielder allowed the batter, Fred Popp, to reach first and allowed Underhill to score.

Gurnee regained the lead, 2-1, by scoring one run in the bottom half of the third. That lead switched teams when Antioch got two runs in the fourth. Frank Pleviak led off the inning with a walk and advanced to second when the pitcher threw over the second baseman's head trying to force him out on Scott Vazquez's ground ball. Jerry Popp then moved Vazquez to left. Rick Sedar walked to load the bases, then Tom Underhill followed with a sacrifice fly to center to score Vazquez.

Antioch took the lead for good in the fifth inning. With one out, Fred Popp singled and advanced to second on Dirk Dietz's walk. A single by Frank Pleviak scored Popp, and another single by Scott Vazquez scored Dietz.

This game was Antioch's last away game; they will play their two suspended games and their six scheduled games at home.

This Oriole runner lost his hat, but beat the play at third base, to help in the 13-5 winning effort against the Yankees. (Staff Photo)

Antioch vs Lake Region

On June 18, Antioch and Lake Region 3-3 in a suspended nine inning game. The game will be continued, starting at the top of the tenth inning, when Lake Region comes to play Antioch in the regularly scheduled game.

Lake Region started the scoring in the third inning on a walk and two singles, accounting for two runs.

Antioch bounced right back in the fourth inning by scoring three runs on no hits. Tim Mieuire and Fred Popp led off with walks. One out later, an error by the second baseman allowed Ed Weitz, to reach first base and allowed Mieuire and Popp to score. Weitz then stole second base and, one out later, another error, made by the first baseman, scored Weitz and put Vazquez on first.

Jesse Gooslin, Lake Region's pitcher, held Antioch hitless for five innings. He also hit a home run in the sixth to tie the score 3-3.

The only two hits Antioch had were a double by Fred Popp in the sixth and an infield hit by Frank Pleviak in the seventh.

Antioch vs Lake Villa

Antioch, seeking revenge on Lake Villa for defeating them 15-3, could only tie them 1-1 in 8 innings and get their second suspended game. No future date has been set yet for the continuation of the game.

Antioch got their only run in the first inning. Rick Sedar led off the inning by getting an infield hit, went to second on a balk, and went to third on Frank Pleviak's single to center. Lake Villa allowed Sedar to score when Tim Mieuire hit into a double play, the shortstop forcing Pleviak at second, then pegging Mieuire at first.

Tom Underhill breezed through the first six innings allowing only one hit - a single in the fifth inning. But he got into a jam in the seventh inning. A lead off single, a sacrifice bunt to get him to second, and a double to score him accounted for Lake Villa's only run. Lake Villa, however, continued the threat by getting men on second and third, but a fly ball and strike out ended the threat. This game was by far the best game Underhill pitched, who showed a remarkable improvement.
